

Barbara Kasper

Chief Economist

b.kasper@marcuardfamilyoffice.com

Dr. Barbara H.M. Kasper has over 12 years of investment experience. She joined Marcuard Family Office July 2009 as Chief Economist. Her assignment focuses on analyzing and reporting mid- to long-term global market and investment perspectives, within different asset classes. Prior to her engagement at Marcuard Family Office, Dr. Kasper worked for Bank Morgan Stanley AG, Switzerland providing sophisticated investment research and tailor-made portfolio vehicles for international Family Offices and UHNWI's.

Prior to Bank Morgan Stanley AG, Dr. Kasper gained investment experience at several U.K, U.S., German and Swiss financial institutions especially in the areas of quantitative strategies, research and screening, economic perspectives and fund designs. Dr. Kasper holds an MBA from Keele University, Staffordshire, U.K., a Bachelor of Economics and Business Studies as well as a PhD degree in Private Banking from Eberhard Karls University Tuebingen, Germany. Further, she used to lecture Economics and Managerial Studies at several international universities.
